§ 289.101 Schedule A. Information required in reports pursuant to § 289.3.

Item 1: Description of obligations.

As to each issue of primary obligations of the IFC that is to be distributed, furnish the following information:

(a) The title and date of the issue.

(b) The interest rate and interest payments dates.

(c) The maturity date or, if serial, the plan of serial maturities. If the maturity of the obligation may be accelerated, state the circumstances under which it may be so accelerated.

(d) A brief outline of:

(i) Any redemption provisions, and

(ii) Any amortization, sinking fund or retirement provisions, stating the annual amount, if any, which the IFC will be under obligation to apply for the satisfaction of such provisions.

(e) If secured by any lien, the kind and priority thereof, and the nature of the property subject to the lien; if any other indebtedness is secured by an

equal or prior lien on the same property, state the nature of such other liens.

(f) If any obligations issued or to be issued by the IFC will, as to the payment of interest and principal, rank prior to the obligations to be distributed, describe the nature and extent of such priority, to the extent known.

(g) Outline briefly any provisions of the governing instruments under which the terms of the obligations to be distributed may be amended or modified by the holder thereof or otherwise.

(h) Outline briefly any other material provisions of the governing instruments pertaining to the rights of the holders of the obligations to be distributed or pertaining to the duties of the IFC with respect thereto.

(i) The name and address of the fiscal or paying agent of the IFC, if any.

Item 2: Distribution of obligations.

(a) Outline briefly the plan of distribution of the obligations and state the amount of the participation of each principal underwriter, if any.

(b) Describe any arrangements known to the IFC or to any principal underwriter named above designed to stabilize the market for the obligations for the account of the IFC or the principal underwriters as a group and indicate whether any transactions have already been effected to accomplish that purpose.

(c) Describe any arrangements for withholding commissions, or otherwise, to hold each underwriter or dealer responsible for the distribution of his participation.

Item 3: Distribution spread.

The following information shall be given, in substantially the tabular form indicated, as to all primary obligations that are to be offered for cash (estimate, if necessary):

	Price to the public	Selling discounts & commissions	Proceeds to the IFC

Item 4: Discounts and commissions to sub-underwriters and dealers.

State briefly the discounts and commissions to be allowed or paid to deal-

Item 5: Other expenses of the distribution.

Furnish a reasonably itemized statement of all expenses of the IFC in connection with the issuance and distribution of the obligations, except underwriters' or dealers' discounts and commissions that are provided in Items 2, 3 and 4.

Instruction

Insofar as practicable, the itemization shall include transfer agents' fees, cost of printing and engraving, and legal and accounting fees. The information may be given as subject to future contingencies. If the amounts of any items are not known, estimates, designated as such, shall be given.

Item 6: Application of proceeds.

Make a reasonably itemized statement of the purposes, so far as determinable, for which the net proceeds to the IFC from the obligations are to be used, and state the approximate amount to be used for each such purpose.

Item 7: Exhibits to be furnished.

A copy of each of the following documents shall be attached to or otherwise furnished as a part of the report:

(a) Each constituent instrument defining the rights evidenced by the obligations.

(b) An opinion of counsel, written in the English language, as to the legality of the obligations.
